~Machine List and Full Contact Information Below~

In joining together Vanguard, Nova, Pai Lung, and Scomar, our Used Machine Division will better service you as our valued customer. Our machine quality and technical ability will only get stronger. We are capable of shipping high quality machines with lower lead times. We offer all makes and models of machinery as well as used/like new cylinders and inspection equipment. We can ship machines in various conditions to fit your needs.

-

Re-manufactured by factory trained technicians to prepare the machines to your expected quality with a new machine warranty.

Knit tested, check and replace worn parts, and electrical test

As-Is from our stock or mill floor

We have **950 machines** and over **1,500 cylinders** in our inventory to choose from. If we do not have what you are looking for in stock, we will find the machinery to meet your needs.

We would like extend an invitation for you to visit our office and warehouse. During your visit, you may view and personally select your equipment and observe the remanufacturing process.

We will continue in our efforts to maintain your trust and business. Thank you for your loyalty and please do not hesitate to contact us.
